

# THE HOSE PIPER

NOVEMBER – DECEMBER 2011

I'M SORRY ABOUT THE LATE ARRIVAL OF THE HOSE PIPER – THE PRINTER BLEW UP & HAS HAD TO BE REPLACED!

## HOSE COMMUNITY ORCHARD

It's been a very disappointing year in the orchard, with scarcely an apple, plum or pear reaching fruition. We had a late frost when the blossom was out, which devastated the crop, as well as killing off the young foliage on the mulberry and the walnut. This is despite the varieties generally being local types – hardy or late-flowering. The allotment area has the reputation of being a frost pocket and this confirms that – elsewhere the fruit crop has been marvellous.
